TECHNOLOGY CENTER #3700

**AFFIDAVIT UNDER 37 CFR RULE 1.131**

1. I, Stephanie Dubsky, am the named inventor and owner of the entire interest in and to the above-captioned patent application.
2. I conceived of and reduced to practice the invention claimed in claims 1 and 16 of the above-captioned patent application prior to Feb. 13, 2001 in the United States or another WTO country.
3. As part of my studies in Industrial Design at the University of Applied Arts in Vienna, Austria, I produced a working prototype covered by claims 1 and 16 of the above-captioned patent application. The prototype was produced using metal foil printed with the Guggenheim Museum name and logo. This project was submitted for grading in the Fall of 2000.
3. Attached is a true and correct copy of a grade report, dated Jan. 23, 2001, which I received in January of 2001 for the above-mentioned project.
4. I declare that all statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true; and I further declare that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code and that such willful statements may jeopardize the validity of the application and any patent issuing thereon.
